Relevant Experience

Freelance Designer · **PA Web Design** Mar 2016 – Present

- Run a freelance WordPress website design business delivering beautiful and user-friendly websites to coaches and entrepreneurs around the world.
- Ingehol.com - 4x clients and +143% increase in calls within six months of launch.
- Built "Test Your Resilience" that was then sold to Australian Council for Educational Research
- thetranslationpros.com - Designed, built, and hosted website, achieving 140% increase in site traffic in under six months.

Director · **TECS** Jan 2012 – Aug 2023

- Built and designed the recruitment website from the ground up while continuing all updates, editing, website maintenance, and marketing all resulting in a 300% increase in applicants in the first year alone.
- Led redesign of the entire recruitment process from implementation to execution utilizing a dedicated website and various third-party software (MS Teams, Zoom, Zoho Recruit ATS, Airtable, etc.) optimizing the workflow and output of the recruitment process, as well as increasing overall velocity to hire for the organization.
- Oversee the recruitment, training, and management of 150 staff per year, resulting in >50% of staff returning year over year in the European market where turnover is volatile.
- 10,000+ highly satisfied students and parents - Average feedback 4.35/5.

Website Developer · **ROCCO** Oc 2018 – Aug 2019

- Developed the e-commerce aspect of the website from within the WordPress framework, significantly increasing sales across the entire sector for the consultancy.
- Liaised directly with the Chief Executive Officer to expand the ROCCO group with various education and strategy initiatives with the goal of building the organization into what it is today.
- Created the websites for the ROCCO U and ROCCO Strategy businesses utilizing Wordpress development by designing and developing WordPress themes and plugins, researched and composed website user guides and documentation all resulting in a dynamic and seamless ease-of-use online presence.
